Zip N' Dip Expedition

Effective June 2011

Our most popular tour—an exciting adventure on the pristine, private lands of Princeville Ranch! The course is a thrilling combination of nine picturesque zip lines and a suspension bridge spanning a waterfall. *Imagine* walking off the edge of a lush valley, flying over tree tops across to the other side, soaking in the gorgeous mountain views along the way. The final zip line—called “King Kong”—is an adventure all on its own! First you walk up a ramp to a 26-foot high tower. Next you zip 1,200 feet, racing your partner side-by-side or maybe holding hands! The tour includes an hour at a fifteen-foot deep, hidden swimming hole, fed by a small waterfall. Here you'll enjoy a delicious picnic, swimming, jumping and floating on inner tubes. Hiking is rated moderate and is just over one mile.
